

Växjö Figure Skating Club is looking for coaches

Our Organization

Växjö Figure Skating Club is a well-established club of just over 50 years. Currently, the club has approximately 60 competitive skaters and 30 skaters in our figure skating school. The skaters are spread over different levels and age groups both in single and ice-/solo dance disciplines. In addition, there is a skating school and an adult group with a total of about 120 skaters.

We are a club with a well-established board, great parental involvement, and stable finances. Our ambition is to offer all skaters, regardless of level, optimal opportunities for development.

What we are looking for:

- Committed and experienced figure skating coaches with previous coaching experience. A high level of education is meritorious.
- Good cooperation skills and a strong drive to develop all the club's skaters regardless of level.
- A good role model both on and off the ice plus someone with strong and positive leadership skills.
- Other pedagogical education or experience in choreographing programs/shows is meritorious.

Tasks: (may vary depending on the type of position)

- Responsible for planning the training sessions.
- Coaching the club's skaters both on ice and land.
- Working together with the board on administrative tasks.
- Coaching at the club's camps.
- Support and coach our skaters at competitions.
- Create a positive training environment.

What Växjö Figure Skating Club offers:

- Opportunity to work with ambitious skaters with the support of an engaged board.
- Opportunity for continuous professional development.
- Support from the coaching team.
- Being a part of our community where our guiding principles of Joy, Passion, and Community permeate our club.

Employment conditions:

- Full-time, part-time, or by agreement.
- Individual salary setting applies, based on qualifications and experience.
- Start date is flexible.
- The position includes daytime, early evening, weekends.
- Probationary employment applies depending on the type of position.
